

Our Rebound Guarantee

We guarantee every Rebound™ product, procedure, and therapeutic outcome will meet the satisfaction of the entire veterinary team, every patient and their owner/pet parent. If you are not satisfied with our product, for any reason (including user error and patient noncompliance), send an image of the Tyvek® cover to your distributor for a full refund or replacement.

Additionally, Enso Discoveries will provide free training kits to any veterinary hospital purchasing Rebound kits through our distribution partners. These kits are marked "Sample" and are not sterile. We encourage our customers to practice and train new staff with these sample kits before conducting their first procedure.

Please email us for samples: info@ensodiscoveries.com
